### **BPD (0)**

**BPB (1,0)** 1 French Lindfern Dream Light A very pretty sable, just a week short of 6 months, who made a lovely start to the day. Good underjaw, correct stop and well-set ears giving a pleasing, feminine expression. Nicely balanced overall with a well-carried neck flowing into a tidy outline, particularly liked her rear angulation which was already developing well for her age. Carries excellent bone and substance for one so young, with good legs and neat feet. Held a firm topline and moved freely and confidently with a light, easy action. A very promising youngster who should have a bright future. BBPIS.

**VD (2,0)** Two males of similar type. 1 Hull Mohnesee's Dream Date of Lizmark A very pleasing veteran who appealed for his overall quality and balance. Excellent in head, with well-shaped eyes and correctly placed ears combining to give a very typical and soft expression. Good neck flowing into clean, well-proportioned bodylines. Well boned with sufficient substance, and presented in very good coat and condition. Held a firm topline both standing and on the move, and moved soundly with steady, balanced action to take BVD & BVIS. 2 Taylor & Wells Ch Lafitte De Moorstille Chez Shelridge (IMP FRA) JW VW 10-year-old who is a credit to his age. Pleasing in head, though a slightly darker eye would enhance the overall expression. Ears well set and used. Moderate bone. Maintained a good topline and moved steadily, remaining sound throughout.
